Brief History of Milt's Stop & Eat

Milt's is Moab's oldest restaurant. It was first opened in September of 1954, by Milt Galbraith. Much of Milt's remains the same as it did in 1954. The vinyl-topped stools and the patterned Formica counter which overlooks the open grill and kitchen are all original. Milt's is still known for its delicious burgers, homemade fries, and refreshing malts. Milt's was originally on Main Street. But now Milt's is still located in the same spot and Moab's Main Street has moved.

Milt and his wife Audrey ran Milt's for 24 years. They used to live in a trailer located in the spot which is now the outside patio area and Sycamore tree. Milt passed in 2014 at age 90 and Audrey lives up the street. The Galbraith family still frequent Milt's. John and Sonja Sensenbrenner bought Milt's in 1978. They ran Milt's for 26 years. John is known for measuring the portions to the exact size to keep prices low. He would even tear a fry in half to make certain the portion size was exact! John and Sonja also periodically visit Milt's. There was a third owner by the name of Becky, who ran Milt's for about 9 months. She sold Milt's to Rex Tanner. Rex, along with his wife Penny, daughter Asia, and son in law Daniel ran it for 2 years. In July of 2007 Milt's was purchased by the current owners; Danelle Ballengee and BC Laprade. BC and Nellie want to keep the Milt's tradition and history alive by maintaining the same standards of quality food and service since 1954.

Milt's is a local's favorite because of its delicious food, friendly service, and reasonable prices. Locals and tourists alike return to Milt's, sometimes on a daily basis! The Chili Cheeseburger has been the most popular menu item over the years. The food at Milt's is not 'fast food'; the ingredients are fresh and prepared to order. Milt's uses a blend of Wagyu and Hormone-Free Grass-Fed Beef. Patties are freshly ground and hand crafted daily. The fries are made from fresh, whole Russet potatoes; cooked in healthy Peanut Oil. We use vegetables grown on local farms as much of the year as possible. Milt's serves Natural Chicken Breasts. Our Old-Fashioned Shakes and Malts have been a refreshing favorite for over 60 years.

Thanks for visiting Milt's Stop & Eat and being a part of history!
